*Social Initiative*

- Donated to 4 Zilla Parishad High Schools (government schools) in Telangana
- All profits received from the product will go towards funding a career counseling program in government schools across Telangana
- Hosted sessions with a professional counselor and teachers to brief teacher's on different career requirements; reached 360 students

**Dromos Dynamis**, Founder ([www.dromosdynamis.com](http://www.dromosdynamis.com))

2025

Nation-wide e-commerce platform for creators and entrepreneurs under 18 to present, sell, and share their products with a wider audience. Worked with professional website designers to bring my vision and design to life. Have made 65,000 INR (August 2026) in revenue from 14 student-made products.

*Social Initiative*

- Working with Empire Exchange's vision to provide counselors to all government school students across Telangana

### ECONOMICS & FINANCE EXPERIENCES

*Research:*

**Paper, Independent Legal & Economics Research**

2026

Under the guidance of Ms. Shantha Nerametla (partner of company in Fortune 7 Fintech), researched the financial implications of Section 22A prohibited land listings on agrarian households in Telangana. Examined barriers to agricultural credit and borrowing, restrictions on property transfers and asset liquidation, and the financial burden of legal procedures and administrative delays.

Research Focus:

- Analyzed how land restrictions undermine farmers' access to credit, asset liquidity, and financial security.

*Leadership:*

**EconToday**, Editor-In-Chief (<https://econtodayjournal.wixsite.com/members>)

2025 – Present

Student-led, collaborative publication that offers insights into the world of economics. It provides a platform to students in Hyderabad, India, to share their perspectives and explore their interests in this field based on real-world news. Leading a 40+ member team of a newsletter that has published 500+ articles.

- I oversee content strategy, editorial standards, and writer mentorship
- Organized a food festival at Indus International School Hyderabad and raised 67000 INR for EconToday development
- Launched a government school initiative distributing simplified economics newsletters to 800+ students.

*Online Courses:*

**AI Applications in Marketing & Finance**, University of Pennsylvania (UPenn)

2025

Learnt about AI-powered applications that can enhance the customer journey and extend the customer lifecycle. Demonstrated how AI-powered data can enable us to analyze consumer habits and maximize their potential to target marketing to the right people.

- Gained skills in consumer engagement, personalized services, credit risk, customer insights, machine learning methods, etc

**Behavioral Finance**, Duke University

2025

Examined predictable errors from heuristics and discovered where people are most susceptible to them and guided us towards better financial choices.

- Gained skills in probability and statistics, risk analysis, financial market, consumer behavior, finance, etc

*Outreach:*

**Project Aradhya**, Co-Founder

2025 – Present

Founded to close the financial education gap in government schools located in Telangana, Project Aradhya hosts financial education sessions for children 12+ regarding the basics of handling your own finances: savings, opening an account, etc.

- Led curricula design, school outreach, and requirements research
- Expanded to 3 Zilla Parishad High Schools and delivered 4 sessions with ~580 students

## LAW EXPERIENCES & OUTREACH

### **High Court for the State of Telangana**, Telangana, India

2025

The highest judicial authority in Telangana with 42 judges that functions to review and hear appeals, certain specific cases (law, divorces, etc), issues legal writs to protect fundamental rights, and oversees the administrative and judicial functioning of all lower courts.

*Summer Intern under Honorable Sri Justice B. Vijaysen Reddy, Justice at the High Court of Telangana*

- Youngest intern at Telangana High Court
- Actively studied property law cases and examined real-world proceedings
- Developed skills in critical thinking

### **Startup Legal Toolkit for Student Entrepreneurs**, Creator

2025

A practical legal or business primer for young entrepreneurs across India. Includes content types like the types of businesses and their requirements, important forms, and a legal checklist. Reached 500+ interested individuals in 130+ cities across 10 countries.

## SCHOOL LEADERSHIP

### **Orion House Captain of Indus International School Hyderabad**, Telangana, India

2026 – Present

Representing all Orion House members (~275 students from kindergarten to Grade 12) in city-wide initiatives and work to translate student ideas into implemented change.

- Registered Indus International School Hyderabad for the Red Cross Initiative and am planning to lead first aid/CPR workshops for Indus students and government students, run by volunteers from Grade 6 to 11

### **Innovation Council Member of Indus International School Hyderabad**, Telangana, India

2023 – 2026

Selected as one of four members (from ~95 students) to represent my grade for three years consecutively. Worked closely with students to voice out opinions and guide them towards teamwork and change.

- Led a fundraiser generating over 1000000 INR in net profit to reconstruct ZPHS Janwada and collaborated directly with foreign architects on reconstruction planning.

### **Model United Nations**, Indus International School Hyderabad, India

2024 – 2025

- Vice-Chair of Commission on the Status of Women (CSW) at Indus International School's inaugural Inter-School MUN
- Co-Vice Chair of Disarmament and International Security Committee (DISEC) at Indus's first MUN
- Contributed to social media and event logistics both years

## SUMMER PROGRAMS

### **Yale Young Global Scholars (YYGS)**, Yale University

2026

A two-week academic enrichment program for outstanding high school students from around the globe at Yale's historic campus. Solving Global Challenges (SGC), equips students with innovative strategies for systemically thinking about the world around them and using the UN Sustainable Development Goals as a framework. Admitted at a ~9.64% acceptance rate (~14000)

- Built international connections with peers, faculty, and instructors from 165 countries.

## WRITING, SOCIAL MEDIA, & MARKETING

### **Writer**, Business Vogue — School Online Business Magazine

2024

- Wrote one article per month regarding overall business topics, consumer behavior, and marketing strategies
- Published and circulated school-wide
